

## Performance:

- Resistant to fluids (solvents, fuels, and oils) per MIL-R-3065D, MIL-R-6855, and MIL-R-2765
- Continuous operating temperature: -50°F to 320°F (-45°C to 160°C)
- Intermittent operating temperature: -70°F to 400°F (-57°C to 204°C)
- Durometer range: 20 to 95 Shore A
- Elongation range: 350% to 650%
